

A 3-Bedroom Whole Floor Spacious Modern Apartment In Larnaca City Area. #2117

€345,000 +VAT

Designed by a team of very experienced and talented Architects, Engineers and Interior Designers, the project is utilizing the great advantages of its location and surroundings in order to maximize the opulent living experience it can offer.

Comprised of only three spacious entire floor three bedroom apartments, the building offers privacy and comfort to all its residents while featuring high specs and finishes.

Located in the heart of Larnaca, the project is only a 5 minute drive from some of the best south coast beaches of the island such as Mackenzie and Finikoudes, as well as from the new mall, offering a very practical and convenient home.

The surrounding quiet residential family neighborhood creates a safe and enjoyable living environment with private schools such as the American Academy, supermarkets, pharmacies, and other amenities being at a very close
