

A 2-Bedroom Apartment For Sale In Pyla Area, Larnaca

#2389

€162,000

This project is located in a quiet touristic and residential neighborhood with excellent access to the motorway and to the beautiful local beaches which are only 1km away. The property is situated close to all necessary amenities and services. The complex has gym, sauna, swimming pool, indoor heated pool, satellite and gated doors.

It is a newly built luxury project set within Larnaca Beach and Pyla hills. An ideal modern project spread almost over 10,000sq.m of land.

This complex is where modern European conveniences and luxuries combine with a touch of Middle Eastern architecture to create a somewhat secluded tropical haven for its residents.

At its core is a central swimming pool that casts shimmers of light over most apartments to spectacular effect. The location is excellent. It is located right in the middle of everything. The beautiful beaches of Ayia Napa and Protaras are
