

A 5-Floor Apartment Building Under Construction For Sale Centrally In Larnaca #2561

€1,500,000

We offer a rare opportunity to acquire a 5-floor apartment building under construction for sale centrally in Larnaca, a stones throw from the rapidly growing center of the city. The property offers 9 apartments each with 2 bedrooms and all of them with en-suite shower in the master bedroom. The 2 top floor apartments come with spacious roof garden which offers panoramic views of the surrounding area. All areas are included in a table within the photo section.

The location of the property is considered excellent being situated at walking distance from the shopping center of the city as well as from the famous Finikoudes beachfront and the St. Lazarus church. All amenities are at walking distance minimizing the need for a car. At a short drive you can find the Metropolis Mall and the Larnaca International Airport as well as the motorway towards the rest of the cities.

Get in touch with us today for more information and to arrange a viewing on site as opportunities like this will not be on the market for long.
