

## A Large Corner Residential Plot For Sale In Larnaca City

€300,000

📍 Town Center, Larnaca

For sale is a prime corner building plot located within the up and coming Quarter of Sotiros at close distance to Mc Donalds drive through and the Stratigou Timagia Avenue. This generous corner plot spans 506 m<sup>2</sup>, offering an excellent opportunity for investment and the construction of an apartment building.

The area is known for its lively atmosphere, rich culture, and convenient amenities all at walking distance. Residents enjoy easy access to a variety of shops, restaurants, and cafes, making it a lively spot for both leisure and daily necessities.

In addition to its prime location, this plot provides nice city views, allowing for unique architectural possibilities. Imagine designing a building that takes full advantage of the picturesque skyline.
